

AIRLINE INTERVIEW 4-STEP PREPARATION PROGRAM FOR PILOTS

The following **4-step** program is the program we recommend you follow in order to prepare for the full pilot recruitment process. We have designed it to ensure the best chance of success during the recruitment process, based on our 20+ years of experience in the aviation industry. Although we highly recommend you go through the full program, we provide each of our products and coaching services individually so you can select as little or as much as you need.

STEP

1

PILOT INTERVIEW FEEDBACK NOTES

Questions airlines have been asking at interviews + insights and candidate feedback for 40+ airlines

Each airline differs. Our notes are updated from candidates going through recent interviews/assessments and include (not all aspects included for every airline)

- Panel/HR interview notes
- SIM notes
- Aptitude/psychometric test notes
- Technical questions
- Scenario or Group Task exercises
