

THE FULL PILOT CADET PREPARATION PROGRAM

The following 7-step program is the program we recommend you follow in order to prepare for the full pilot cadet recruitment process. We have designed it to ensure the best chance of success during the recruitment process, based on our 20 years of experience in the aviation industry.

Although we highly recommend you go through the full program, we provide each of our products and coaching services individually so you can select as little or as much as you need.

PART 1 - CONSIDERING BECOMING A PILOT?

STEP

1

ASPIRING PILOT WORKBOOK

The Aspiring Pilots Workbook contains everything you need to know about this career path. If you are in High School, University or just about to complete your RPL, PPL or CPL then this workbook is for you. Understand all of your options for becoming a pilot and gaining an airline or General Aviation role.

PART 2 - APPLYING FOR A CADETSHIP?

STEP

6

INTENSIVE COACHING

During your 1-hour Intensive session we will cover the key aspects specific to the airline you are applying to. Each session is tailored to your specific needs. We cover: Handling hiccups, insight in to the airline you are applying to; why you wish to work for them, strengths and weaknesses and we address any of your individual concerns in detail.

STEP

7

SIM PRACTICE

Pilots' biggest regret is not doing a SIM practice. Our SIM partners will prepare you for every aspect of your airline SIM assessment. Note that not all airlines require cadet candidates to undergo a SIM test.
